- Supports **Android 14** for the latest key industrial apps, streamlining tasks for greater efficiency and speed
- **6.5" HD Touchscreen**, large enough for multiple apps and readable in sunlight, supports wet fingers/glove operation
- Engineered to meet **IP68** and **MIL-STD-810H** standards, ideal for professionals operating in the most rigorous environments
- Designed with **Thick Rubber Corner** protection to safeguard against drops
- **48MP HD Rear Camera** captures clear pictures and stable live videos in the field and transmits them to the command center in real-time for collaboration
- A large **5,000mAh** battery provides all-day power, eliminating the need to search for a charger at critical moments
- **Dedicated PTT Buttons**, guaranteeing seamless and continuous communication at all times
